

## POWERFUL WEEDS

Love can never be  
a matter of convenience.  
For if the right time,  
right place, and perfect situation,  
Were the only criteria for giving  
one's heart,  
How many beautiful twosomes  
might never have been?

Love doesn't often work  
the same way a stomach might  
getting nourishment at hours  
convenient to its owner,  
and digesting all that is put  
it's way.

Sometimes love finds itself blooming  
in the most incongruous gardens.  
Hopefully, an Alka-Seltzer  
for the heart,  
will conveniently pass the  
pharmaceutical companies by.
